

Donald McNutt Memorial Scholarship Application

Donald E (Don) McNutt began his service to his community and nation when he enlisted in the United States Air Force during the Vietnam War. This veteran returned home and his passion to serve continued as he worked far into retirement. Don was a union activist and caring individual. He was an active member of the International Association of Machinists Potomac Air Lodge Local 1976, District 142 for 35 years. While living in Washington County, he was inducted into the Washington County CLC Labor Hall of Fame for his many years of union service. He later moved to Beaver County.

Don understood the importance of Solidarity and Education. For many years he was on the Executive Board of the Beaver-Lawrence CLC and each month provided information on the "Union Label". Don understood that looking for the union label and the Made-In-USA label was something all members of organized labor should do. He knew this would assure we bought quality products, preserved good paying family sustaining jobs and our economy. He always discussed what union households should or should not buy. Don was also one of the founders of the "The Union Bug", a monthly newsletter that the Beaver-Lawrence CLC published.

Don McNutt was excited when we offered our first scholarship and he was a part of the decision to make sure we developed a two-fold program. In honor of his dedication and service the Beaver-Lawrence Central Labor Council has decided to name this scholarship in his memory. This scholarship is awarded to a senior beginning their journey into the system of higher education.
