### **DISTRICT 142 EXECUTIVE BOARD AND STAFF CHANGES**

As was previously announced effective February 1, 2011 District Lodge 143 was merged into Air Transport District Lodge 142. This means the IAM memberships from Alaska Airlines; Air Wisconsin (COPS) and Great Lakes Airlines were merged into our District. This merger has necessitated several changes to both our Executive Board and staff. With the approval of the District 142 Executive Board I requested several changes to our District by-laws to both recognize and include our new members in the governance of our District. The requested changes have been approved by the Grand Lodge. The changes and appointments resulting there from are as follows:

Appointments effective February 1, 2011:

Jackie Fay, General Chairperson Alaska Airlines  
Jerry Lemke, General Chairperson Air Wisconsin

Appointments effective March 1, 2011

Jeffrey Tobius, General Chairperson Alaska Airlines  
Bea Knott, Vice President Alaska Airlines  
Kevin Hefferman, Vice President Air Wisconsin  
Gary Vargo, Trustee (fill position vacated by Brother Lemke)

Fraternally yours,
