

Retiree Reminder

Retiree Reminder

As a reminder, per the IAMAW Constitution, your retirement card shall remain in effect providing you report your current mailing address (whether it changed or not) to the Local Lodge (from which you retired) annually, not later than March 1 of each year. Failure to report could lead to recall of your retirement card. You can meet this reporting requirement by mail to my attention at Potomac Air Lodge Local 1976, Moon Clinton Road Moon Twp., Pa 15108 or e-mail (sectres1976@comcast.net). In either case, please include your former employee number, full name and address and indicate whether your address has changed recently. Due to the anticipated response, phone calls will not be accepted with address updates.
